Dear Cedar Hill Club Member,

2017 summer at The Cedar Hill Club here we come! Welcome to our new members and I am looking forward to meeting you. I am also excited to catch up with my old CHC friends. Cedar Hill Club has been making summer memories for many years and this one is going to be great! I urge each member to check out the website and look at the latest information about our club. As President of the Board of Trustees I would like to thank all of our past and present board members who put in countless hours to make our club great! I would like to recognize our outgoing board members Eileen Kurtz and George Wade and thank them for all the work they have done. Two of our new board members, Kathy Vladyka and Rhonda Breen-Simone, join our team this year and come with board experience. Our third, Kenneth Karamichael, is a first time board member, but has history with our club. Together we are working to keep our club as the premier swim club in our area.

I would like to wish best of luck and a thank you to Coach Justin Tran and Kristi Metcalfe for everything they have done for our club. Welcome our new tennis coach Tony Clark who comes to CHC with years of tennis experience. We also have a new swim coach, Dylan Sali, who also has years of experience and will be co-coaching the swim team with Breda Jones. Best of luck to everyone!

Our facilities are looking much improved. The pools look great with each one wrapped in a new PVC liner. There is a fresh coat of paint in our locker rooms and on the handball courts. Our softball field, tennis courts, bocce ball courts, and horseshoes are ready for your summer enjoyment. And yes, our snack shack is up and running by one of our own members, Jim Hayes. Jim is the Executive Chef at the Tower Club in Princeton. Please support the shack!

With our club looking great I hope you are ready for a fantastic summer! Get involved with an activity or a team and have a memorable summer. What makes our club great is that our club has so much to offer. You can join a swim team or dive team. There are many activities that are offered; Tennis, Softball, Masters Swim, Arts and Crafts, and more. These activities are great and take members to step up and help organize and run them. Our club is only as good as our members make it. Please reach out and find an area where you can help make our club great!

So, I'll see you around the club. Maybe at one of our festivity days, a family night, lobster bake, karaoke night, movie night, or just relaxing by the pool.

Have a great summer,

Nathan Cogdill  
President of the Board of Trustees
