Dear Cedar Hill Club Member,

We survived another winter, but it sure took a toll on our club. I hope all our members made it through with little to no problems. Either way, I am sure all of you are looking forward to some well-deserved sunshine as we relax by the pool this summer, I know I am!

Welcome to our new members, I look forward to meeting you. I am also excited to catch up with my old CHC friends. I urge each member to check out the website, www.cedarhillclub.com to look at the latest information about our club as you make plans for your summer.

I would like to thank all of our past and present board members who put in countless hours to make our club great! I would like to recognize our outgoing board members Christine Zachert and Anthony Panchery and thank them for all the work they have done. I would also like to welcome our new board members Charlie Hicks and Alisha Uccardi for stepping up and Cyndee Wolfe for continuing to serve for another term. Together we are working to keep our club the premier swim club in our area.

I hope each member takes advantage of all the activities our club has to offer to get the most out of your membership. Being involved and bringing guests are great ways to have fun at Cedar Hill Club and introduce our wonderful facility to new members. We are looking for members and we have some new ideas to bring them in but we need your help. This year we will have Summer Club Presentations for potential members. Current members will have the opportunity to invite guests on June 9th with a rain date of June 10th. All we ask is guests take an hour of their time on our tour and then enjoy the rest of the day as our guest – yes, no guest fees!! During the day, we will have other activities for our members and their guests to participate in and showcase CHC fun. Please plan on joining us to show potential members why Cedar Hill Club is the best place to spend summer days. Look for more detailed information about this event in your weekly email communications.

With our club looking great I hope you are ready for a fantastic summer! Get involved with an activity or a team and have a memorable time. There are so many activities that are offered at our club; Swim Team, Dive Team, Tennis, Softball, Arts and Crafts and don't miss our family nights, Lobster Bake, festivity days as well as a few new surprise activities to add to the fun times we have around the pool. If you are always running around like me, before you overbook your summer check out our calendar to make sure you have a fun relaxing time at your club! And if you get hungry doing all these activities or just want something refreshing don't forget to stop by our snack shack and check out some new additions to the menu

I look forward to seeing everyone around the club. It's going to be another exciting summer!
