

Party Policies

- Parking is only allowed in the lower lot – no exceptions.
- You are more than welcome to use a hand truck provided by the club to bring any items into the club from your car.
- When you arrive, we will ask you to gather all the party guests for a quick review of the rules. Please keep in mind, we need help from you and your chaperones to ensure the rules are followed and everyone remains safe.
- All party guests are required to wear a wristband. Children 12 and under must take a swim test. Those who do not pass will not be permitted to use the diving boards or slide or be in the pool unsupervised.
- Parents dropping off or picking up children will be asked to remain at the entrance by the main office – we are happy to page their children when they arrive.
- Payment can be made by credit card, check, or in cash. We will reconcile the amount due from the list provided from the hosting member. Please remember: for parties of 20 or more (nonmembers) a charge of \$15.00 per hour for guard services will be included. For parties of 40 or more (nonmembers) a charge of \$30.00 per hour for guard services will be included.
- Please remember that your party guests must exit the property at the ending time specified in this email. Parties must end 30 minutes prior to the closing of the club. If your guests would like to stay beyond the approved ending time, the daily guest fee will be charged for each person who stays.

We appreciate your adherence to our policies.
